

2024 Summer Reading Program

Looking for something cool and free for the kids to do this summer?

Then join us for our **Summer Reading Program**! This year's theme is "**Adventure Begins at Your Library**" – beginning June 26th through July 31st, we will feature adventurous programs to keep kids (ages 12 and under*) engaged and entertained on those long and hot summer days!

We'll host storytimes, crafting projects, STEM experiments, art and makerspace workshops, and don't forget about Fun Fridays! Also, every Wednesday afternoon we'll welcome special guests such as magicians, scientists, and even a traveling petting zoo!

To encourage summer reading, we will run a fun reading challenge through August 27th. All children who participate receive a small prize; the more they read, the more chances they have to win a grand prize! Last year's grand prize was 4 tickets to Legoland.

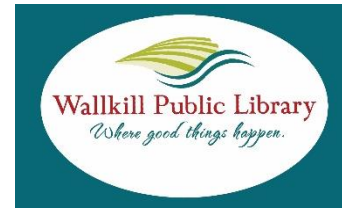

Make sure to attend our **pre-registration pizza party on Wednesday, June 19th from 12:00 PM to 2:00 PM on the Library Lawn**, where Ms. Christine and Miss Michelle will be on-hand to discuss program details, hand-out reading challenge packets, and share information about the grand prize! *Online registration for this event is required for each child; each registered child will receive a piece of pizza.*

There will also be summer craft kits available (while supplies last) and face painting for our festive friends.

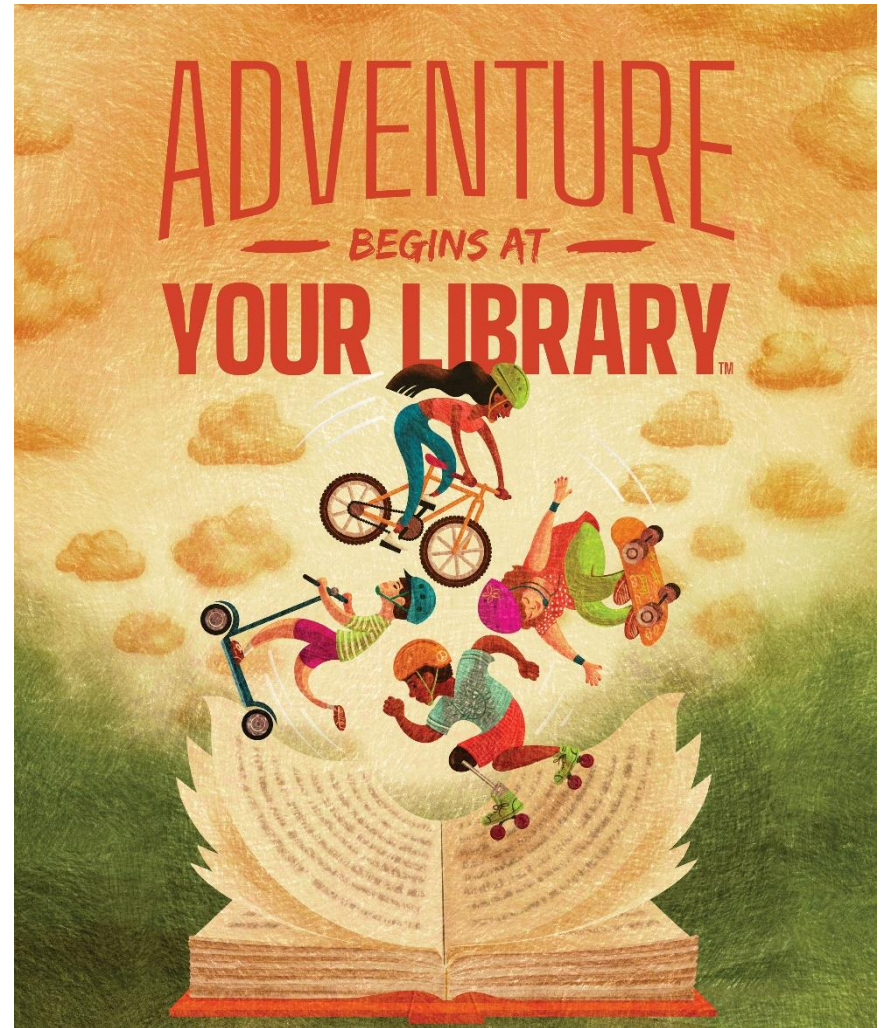

NOTE: Online registration for individual programs opens at 8:00 AM on June 19th; your child does not need to register for a reading packet. Reading packets will be available at the library and on our website.

***Teens and adults**, there will be some **great summer reading challenges and awesome incentives** for you too! Ask a staff member for more information.

We can't wait to begin our summer adventures with YOU!
